1.0.0 INTRODUCTION

1.1.0 POLICY OBJECTIVE

1.1.1. The Credit Management Policy is designed to standardise lending decisions and to provide a clear guideline on the Society's credit management position and risk appetite.

This Credit Policy is based on five main objectives, namely:

I. Ensure consistency in the processes and procedures used to manage all credit aspects of the Society.

II. Ensure the adoption of sustainable prudential guidelines in the Society's lending processes.

III. Ensure that all members are treated fairly when making credit decisions.

IV. Evaluate credit decision-making and adjust it as circumstances arise.

V. Provide guidelines on the protection of the Society's credit assets and the recovery of delinquent loans to enhance the Society's liquidity and returns on investments.

1.2.0 SCOPE

1.2.1. The Society's credit operations shall be only for the benefit of its duly registered members. The Society may, however, grant credit facilities to other Registered Cooperatives as provided by the Nigerian Cooperative Societies Act and the By-law of the CBN Staff Multipurpose Cooperative Society (2026).

1.2.2. Credit facilities issued by the Society shall be financed mainly from:

I. Members' contributions;

II. Other income generated by the Society;

III. Borrowing from financial institutions; and

IV. Bonds from COOP Investors.

CamScanner

1.2.3. All credit transactions of the Society must be within the ambit of all relevant laws and regulations in Nigeria.

1.2.4. This policy provides the minimum requirement for the administration and implementation of the credit objectives of the Society.

1.3.0 CREDIT ASSESSMENT & EVALUATION CRITERIA

1.3.1 Loan requests shall be granted in line with the following criteria:

(a) Eligibility of the applicant
(b) Type and size of loan
(c) Purpose and utilisation of the loan
(d) Source of repayment
(e) Applicant's ability to repay (Maximum Deductible Limit)
(f) Applicant's Co-op savings balance
(g) Global limit
(h) Guarantors (When applicable)
(i) Date of employment and date of joining the Cooperative
(j) Date of birth

1.3.2 Where a loan application fails to meet the prescribed criteria in subsection **1.3.1**, it shall be rejected and the applicant duly notified.

1.4.0 GLOBAL LIMITS AND MAXIMUM DEDUCTIBLE LIMIT

1.4.1 To manage the credit and operational risks effectively, the Society shall maintain a maximum credit limit (Global and Maximum Deductible limits) on loans to members based on their grade level and ability to pay.

1.4.2 The Credit Committee shall recommend to the MC the global limit for different categories and grade levels of members. The MC shall review the recommended global limits and approve as needed.

1.4.3 The approved global limit should be implemented on the Society's application software and shall be communicated to members.

CamScanner

1.4.4 The global limits shall be in line with the thresholds set out in Schedule A of this policy.

1.4.5 The MC may review the global limit from time to time.

2.0.0 TYPES OF CREDIT FACILITIES

2.1.0 SPECIAL WITHDRAWAL

2.1.1. Savings withdrawal shall be allowed at a maximum of 50% of the savings balance **that is not tied to loans,** provided the member has saved continuously for a minimum of six (6) calendar months.

2.1.2. Savings withdrawal shall be granted not more than once every 90 days.

2.1.3. MC may allow members to liquidate their existing loans (fully or partially) using not more than 50% of their savings balance.

2.1.4. Liquidation of a loan from savings will only attract unearned interest if the 50% of savings balance is sufficient to liquidate all outstanding loans of the member.

2.2.0 NORMAL LOAN

2.2.1. Normal Loan may be granted to a member whereby the loan amount does not exceed two (2) times the member's savings balance, subject to the ability to pay at maturity, regardless of the number of applications, provided that the cumulative total is still less than or equal to two (2) times the member's savings balance.

2.2.2. Where the individual upfront payment is not sufficient to cover the loan, the member shall tender collateral to cover it. The collateral should be near-cash instruments, such as Treasury Bills/COOP Bond Investments, or any other instrument that may be approved by the MC.

2.2.3. The maximum tenor for a Normal Loan shall be twelve (12) months. However, for CBN staff in active service, the loan tenor shall be prorated from the date of loan approval to 31 December of the year in which the loan is granted.

CamScanner

2.3.0 SPECIAL LOAN

2.3.1. A special loan may be granted to a member who has been contributing for at least one (1) year.

2.3.2. The amount that can be granted for the loan shall not be more than three (3) times the member's savings balance or any amount as may be determined from time to time by the MC.

2.3.3. The tenor for Special Loan shall be thirty-six (36) months.

2.3.4. To access a special loan, a member who has not been with the Cooperative for up to five years must provide one (1) suitable guarantor.

2.3.5. Special Loan shall be granted subject to the member's demonstrated ability to repay the loan within a maximum tenor of thirty-six (36) months and shall not exceed the applicable annual deductible and global limits.

2.3.6. A member may increase his Special Loan subject to the provisions in 2.3.1, 2.3.2 and 2.3.5 of this policy.

2.4.0 QUICK CREDIT LOAN

2.4.1. Quick Credit shall be granted to a member provided that the loan amount does not exceed twenty per cent (20%) of the member's savings balance, subject to a maximum of ₦500,000 for Junior Staff, ₦1,000,000 for Senior Staff and 2,000,000.00 for Executives. The loan shall have a maximum tenor of three (3) months and shall be granted only upon satisfactory evidence of the member's ability to repay within the stipulated period.

2.4.2. There shall be a flat charge of 2% every month.

2.4.3. Members accessing a Quick Loan may be required to pledge for repayment.

2.4.4. The maximum tenor for Quick-Credit shall be 3months.

2.4.5 Where a member fails to repay a Quick Credit within three months, it will be recovered from the savings.

CamScanner

2.5.0 INVESTMENT LOAN

2.5.1. This is a Loan window the Cooperative avails to willing members who are desirous of borrowing for income-generating or asset acquisition and projects.

2.5.2. The loan shall be four (4) times the member's savings as at the time of request, and the applicable interest rate shall be determined by the MC, subject to the availability of funds, ability to repay and global limit.

2.5.3. The repayment period shall not exceed four (4) years

2.5.4. To access an investment loan, a member who has not been with the cooperative for five years must provide one guarantor not less than the grade of the applicant.

2.5.5 An additional Investment Loan may be granted to a member with an existing Investment Loan, provided that the aggregate annual loan repayment obligations, including those arising from the additional loan, do not exceed the maximum deductible limit applicable to the member's grade.

2.6.0 PROJECT LOAN

2.6.1 This is a loan facility made available by the Cooperative to eligible members who wish to obtain financing for Cooperative-sponsored projects as well as projects sourced by members from external parties. Project Loans shall be restricted to landed properties and buildings with acceptable title documents and shall be subject to the availability of funds and satisfactory credit appraisal.

2.6.2 A member may access a Project Loan of up to two (2) times the Global Limit applicable to the member's grade, provided that the member contributes a minimum unencumbered savings contribution of thirty per cent (30%) of the project value subject to availability of funds.

2.6.3 The maximum tenor for a Project Loan shall be a maximum of (8) years.

2.6.4 Projects sourced from external parties shall be subject to satisfactory verification and confirmation of title documents, including but not limited to a

Certificate of Occupancy (C of O), Right of Occupancy (R of O), Deed of Assignment, and Power of Attorney.

2.6.5 Without prejudice to Section **2.6.1** above, all Project Loans shall be subject to the Cooperative's internal risk management, due diligence, and credit assessment

CamScanner

processes. As a condition precedent to disbursement, the borrower shall execute all required security and loan documentation, including an irrevocable authority authorising the CBN Staff Multipurpose Cooperative Society Limited to take possession of, dispose of, or sell the financed property in the event of default, and to apply the proceeds towards the recovery of the outstanding loan principal, accrued interest, fees, and any other related charges.

2.6.6 The land or building financed under the Project Loan shall serve as collateral for the loan facility until the loan is fully repaid. The original title documents shall remain in the custody of the Cooperative until the loan has been fully discharged.

2.6.7 Where a member fails to make the required loan repayments in full for a period of two (2) consecutive years after the disbursement of the loan, the Cooperative may revoke the allocation of the land or building and refund the member the amount paid up to the date of revocation, less an administrative charge of 2 per cent (2%).

For projects sourced from external parties, recovery and enforcement actions shall be undertaken in accordance with the Cooperative's internal risk management and loan recovery procedures.

2.6.8 Where a member has an existing loan before applying for a Project Loan, the outstanding balance of such existing loan shall be deducted from the Project Loan proceeds before disbursement of the loan balance to the member.

2.7.0 END OF SERVICE LOAN

2.7.1 This is a Loan window the Cooperative avails to willing members who have less than one year left in the Bank, who are desirous of borrowing for a short-term purpose.

Such loans would be recovered from the member's gratuity or terminal benefit.

2.7.2 Such a member shall apply in writing to the President, who shall refer it to the Credit Committee for consideration.

The member would be cleared to access such a loan, subject to written confirmation from the CBN Human Resource Department (Pensions Office & Rewards/Benefits Office) that the member's outstanding loan amounts, including the end-of-service loan, will be deducted from the member's final entitlement.

CamScanner

2.7.3 The Credit Committee would review the process for the application of this loan from time to time

2.8.0 AGRICULTURAL LOAN

2.8.1 The Agricultural Loan is a loan facility made available by the Cooperative to eligible members who wish to invest in agricultural production, livestock farming, aquaculture, agro-processing, agricultural value chain activities, and other agro-based businesses. The facility shall be funded through intervention funds sourced by the Cooperative and shall be subject to the availability of such funds.

2.8.2 The facility shall be granted subject to the terms and conditions governing the intervention fund, the member's eligibility, demonstrated ability to repay, available savings balance, applicable Global and Maximum Deductible Limits, and the availability of funds.

2.8.3 The maximum loan amount shall be determined by the guidelines of the intervention fund provider and the Cooperative's credit assessment of the member's repayment capacity and project viability.

2.8.4 The member shall make the minimum equity contribution prescribed by the intervention fund provider or as may be determined by the Cooperative from time to time.

2.8.5 The tenor of the Agricultural Loan shall be in accordance with the terms of the intervention fund and the cash flow cycle of the agricultural enterprise being financed, subject to a maximum tenor as may be approved by the Management Committee.

2.8.6 The Cooperative may require appropriate security for the facility, including but not limited to savings balance, agricultural assets, landed property, guarantees, insurance policies, warehouse receipts, or any other acceptable collateral. The borrower shall execute all required loan and security documentation before disbursement.

2.8.7 Loan proceeds shall be utilised solely for the approved agricultural purpose. The Cooperative reserves the right to monitor project implementation and utilisation of funds and may conduct inspections or request periodic reports from the borrower.

CamScanner

2.8.8 Where applicable, the borrower shall comply with any insurance, risk-sharing, or guarantee requirements prescribed by the intervention fund provider or the Cooperative.

2.8.9 In the event of default, the Cooperative shall be entitled to recover the outstanding loan balance, accrued interest, fees, and other charges through any lawful means, including the realisation of pledged collateral, application of the member's savings, guarantees, and other recovery measures in accordance with the Cooperative's credit and risk management policies.

2.8.10 Where a member has an existing loan before applying for a Project Loan, the outstanding balance of such existing loan shall be deducted from the Project Loan proceeds before disbursement of the loan balance to the member.

2.9.0 LOAN TO OTHER REGISTERED COOPERATIVES

2.9.1 Loan granted to another registered cooperative Society shall be subject to the approval of the MC and the prior approval of the Registrar of Cooperative Societies.

2.9.6 The Society may also develop other types of credit facilities for the sole benefit of its members, in pursuance of its mission and objectives.

Examples of such financial assets include: Treasury bills, Bond Investment, landed property (must be located in Abuja, Port Harcourt or Lagos with CofO and other title documents submitted to the Cooperative).

(d) The Original Property allocation letter issued by the Cooperative to the member. Proper valuation shall be done on the property to determine the current value.

4.9.2 The Society shall clearly state in its loan application E-portal/form the Credit/Loan terms and conditions, and all other relevant information that will help members make informed borrowing decisions.

4.9.3. Applicants shall be required to agree or disagree with the Credit/Loan terms and conditions stated on the credit/loan application E-portal/ in line with the broad terms and conditions stated in this policy.

5.0.0 LOAN ACCOUNT REVIEW AND RECOVERY

5.0.1 The credit policy goal shall be to minimise the possibility of bad debts and limit credit/loan outstanding days to not more than 30 days.

5.0.2 The Non-Performing Loan rate of the Society shall not exceed 1% at any given time, and appropriate provisions shall be made for non-performing loans in line with the relevant accounting standards and cooperative act.

5.0.3 Unrecovered portion of the maximum deductible limit shall be deemed long outstanding after 30 days as specified in the Society's Guideline.

6.1.0 LOANS REVIEW

6.1.1 The Thrift & Credit unit of the Society's Operations department shall be responsible for the monthly review and monitoring of all members' personal

CamScanner

ledger accounts to ensure complete and timely collection of credit/loan repayments as and when due.

6.1.2 The Credit Committee of the Society shall meet quarterly to review the credit and loans ageing report and provide guidance for recovery of long outstanding balances as appropriate. Also, they shall approve classification, allowance for impairment and write-off of long outstanding balance(s) in the very unlikely event that such balance(s) become doubtful or lost.

6.1.3 The Finance & Accounts department of the Society shall test outstanding credit/loan balances for impairment annually and make appropriate provision.

6.1.4 Impairment is established when there is objective evidence that the Society will not be able to recover all amounts due by the original terms of the credit/loan given and includes an assessment of recoverability based on historical trend analyses and events that exist at the reporting date.

6.2.0 RECOVERY

6.2.1 The Society shall strive to have a consistent and courteous approach to credit/loan recovery.

6.2.2. All outstanding credit/loan balances shall first be recovered from the annual allowance bulk payment and then from final entitlements for exiting/deceased members; if the balance(s) remain outstanding, then other pledged items provided by the member shall be utilised.

6.2.3 The Society's Loan/Pledge recovery processes shall be automated. (Move to operational policy)

6.2.4 The Thrift & Credit unit shall notify members of their loan maturity dates 30 days before the loan due dates. The written notice shall advise the member that a penal interest rate will be applied and credit/loan recovery action will commence if the outstanding balance remains unpaid after 30 days. The notice shall be signed by the General Secretary of the Society.

6.2.5 The Operations department shall send 'immediate payment request' letters to members having balances outstanding after 33 days. The letter shall be signed by the General Manager of the Society.

CamScanner

6.2.6 The date of engagement and date of birth of the applicant shall be compulsory field at the point of membership registration. (Operational guideline)

6.2.7 The Operations department shall provide the Finance & Accounts department with an ageing report of balances outstanding after 90 days. The report shall include recovery action(s) taken for each outstanding balance.

6.2.8 The Finance & Accounts Department shall escalate to the Credit Committee if all actions taken prove abortive in the recovery.

6.2.9 The Credit Committee shall advise the Management Committee on the actions to take against members with outstanding balances of 93 days and above. The materiality of the outstanding balance and cost-benefit analysis of actions shall be considered in determining actions to be taken for each outstanding balance.

6.2.10 Where legal action is recommended, the Compliance Officer shall send an 'advice of legal action' notice to members. The notice shall be signed by the President of the Society.

6.2.11'Immediate payment request' letters and 'advice of legal action' notices shall not be sent for those outstanding balances backed by pledges tied to the members' annual allowances, where the annual allowance is sufficient to completely settle the outstanding balance.

7.0.0 INSIDER-RELATED CREDITS/LOANS

7.0.1 Insider-related credits/loans give rise to insider lending.

7.1.1 Insider lending occurs when the Society grants loans/credit facilities to its Management Committee members, its Executive management team members and/or its Staff members. This excludes loans and advances granted to staff as part of the approved payroll scheme and structure of the Society.

7.1.2 All Insider lending in the Society must be at the same terms, conditions, credit evaluation criteria and recovery procedures as applicable to non-insider members of the Society.

7.1.3. Every quarter, the Internal Auditor shall report Insider-related outstanding credit/loan balances to the Audit Committee of the Society. The report shall include:

CamScanner

- name of the borrower
- type of credit/loan
- credit/loan approval date
- amount outstanding
- nature/type of collateral provided
- credit/loan due date and
- performance status.

8.0.0 LOAN REQUESTS BY RETIREES

8.1.1 The total amount of loan granted to a retiree, including the applicable interest, shall not exceed ninety per cent (90%) of the retiree's combined Savings Balance and Bond Investment Balance.

8.1.2 In determining eligibility for a loan, the Society shall ensure that the total loan obligation, including interest, remains within the limit prescribed in Section 8.1.1 above.

8.1.3 Where a retiree fails to repay a loan as and when due, the outstanding loan balance, including accrued interest and other applicable charges, shall be recovered from the retiree's Savings Balance and/or Bond Investment Balance.

9.0.0 LOAN REPAYMENT BY PENSIONERS

9.1.1 In addition to the general terms and conditions governing loans, repayment of all loans granted to pensioners shall be made through pledged monthly deductions from the pensioner's monthly pension allowance.

9.1.2 At the point of loan application, the pledged monthly deduction from the pensioner's allowance must be sufficient to cover the monthly repayment obligations, including both principal and interest, on all existing and proposed loans.

CamScanner

9.1.3 Interest on loans granted to pensioners shall be calculated on a reducing balance basis.

10.0.0 POLICY REVIEW AND AMENDMENT

10.1.1 This Credit Management Policy shall be reviewed at least every two years or as the need arises.

10.1.2. All revisions/amendments must be ratified by the Management Committee.
